

EDUCATE EMPLOYEES WITH PRESENTATION VIDEOS

Chapters presentation-style videos are an **affordable and effective solution for new-hire onboarding, benefits overviews and corporate training**. Whether you have an existing presentation or not, Flimp offers three options for these videos, all including **professional voice talent, hosting and chaptering**.

1

STRAIGHT CONVERSION

\$250 per minute
Turnaround: 3-5 days

Compare to Brainspark

We convert your existing slide deck or PPT presentation into a chaptered video with a choice of professional voice-over narration and music bed.

Ideal for organizations that already have high-quality presentations that don't need to be redesigned.

- **Fast, affordable solution**
- **Requires a quality PPT deck**

2

BRANDED TEMPLATE

\$500 per minute
Turnaround: 2-3 weeks

We produce a custom-branded, chaptered video using our professionally designed and scripted PPT template.

Just choose the modules you need, edit the script notes and we update the colors, graphics and images to fit your needs.

- **No slide deck needed**
- **Ideal for benefits overview and new-hire-onboarding videos**

3

CUSTOM CREATIVE

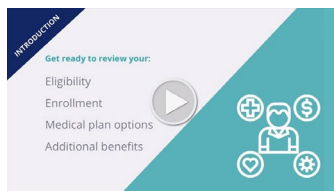

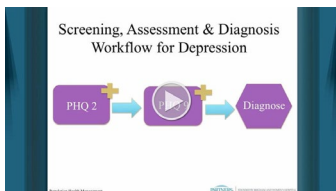

\$750 per minute
Turnaround: 3-4 weeks

We design and create a custom-branded presentation video with dynamic animations, transitions, graphics and images.

Provide us with your branding guidelines, a slide deck and script notes and we produce a beautifully designed chaptered presentation video.

- **Minimum length 8 minutes**
- **Scripting services available**
